

Dark stream,
I did not know
When to your brink I came
How full you flow
Of the world's sorrow:
I dip my cup and drink.
- Kathleen Raine

Christ has no body now but yours
No hands, no feet on earth but yours
Yours are the eyes through which He pours out compassion
on this world
Christ has no body now on earth but yours.

PLAYING WITH FIRE, June 2 - 6

It is not very often that the opportunity arises to
participate in a worldwide conference of The
Christian Community. The size of most of our
congregations is still rather intimate. It is something
we certainly treasure, but it can also make us
underestimate the mighty being of our movement
and the world renewing impulse it embodies. To
sense all the angels of the many congregations
across the world gathering in one place is a
powerful experience. Each is a servant of the Risen
Christ and His world transforming power. It lifts all
the participants to a place of heightened sensation
of a world congregation, in which each member can
feel touched by the breath of the world embracing
Holy Spirit.

Of course it is far to go, but perhaps it can be
combined with a visit to some other place in the
Netherlands or Europe.

Two people from our congregation have already
registered and Rev. Wielki will offer a workshop.
If two more could join, that would be a real deed.
In case you know of someone who you feel should
really attend, but has financial difficulties, please let
Gisela know. Maybe something can be worked out.
