

Summer Sun
Great is the sun, and wide he goes
Through empty heaven without repose:
And in the blue and glowing days
More thick than rain he showers his rays ...

Above the hills, along the blue,
Round the bright air with footing true,
To please the child, to paint the rose,
The gardener of the world, he goes.
- Robert Louis Stevenson

Angel Prayer

You, my heavenly friend, my angel,

you who led me to the earth

and who shall lead me through the portal of death
into the spiritual home of the human soul;

you who have known the way for millennia:

do not fail to fill me with light, to strengthen me, to
counsel me,

that I may emerge from the weaving flames of destiny
as a stronger vessel of destiny

and that I might learn to fill myself ever more

with mindfulness of the divine aims of the world.

- Rudolf Steiner

In the current program:

The theme of the BAPTISM IS BY FIRE will address the
'weaving flames of destiny', and the theme of
MINDFULNESS will attempt to help us become ever
more mindful of the 'divine aims of the world'.
